- 4. **Trustee Disbursements and Treatment of Claims.** The trustee must commence pre-confirmation disbursements required by paragraph 4(b)(3); upon confirmation of this plan, the trustee must commence disbursements in accordance with this plan. The trustee must not make any disbursement under this paragraph except on account of an allowed claim or allowed administrative expense. Should the trustee not have sufficient funds in trust to pay fully the disbursements listed below, disbursements of available funds must be made pro rata. The trustee must disburse all funds in the following amounts and order:
  - (a) **Trustee's Fee and Expenses.** First, to the trustee's percentage fee and expenses.
  - (b) **Treatment of Secured Claims.** Second, to secured creditors as provided in (1) and (2) below. The terms of debtor's prepetition agreement with each secured creditor will continue to apply, except as otherwise provided in this plan or in the confirmation order. The value of collateral for secured claims is fixed at the values stated in (1) and (2) only if there is a check in the box "Includes" in paragraph 1 for "Motion to Value Collateral" and the plan is served on the secured creditor as required under FRBP 7004 or the allowed amount of the secured claim is fixed by consent of the secured creditor. Secured creditors' liens shall be treated in accordance with §1325(a)(5)(B)(i) and must be released when retention ends under that section.
    - (1) Cure of Default and Claim Modification. Debtor must cure the default and maintain the contractual installment payments (as provided in paragraph 7) on a secured claim listed below in the "Estimated Arrearage if Curing" column. The amount listed in that column is an estimate; the creditor's allowed claim will control. A claim listed in the "Collateral Value if Not Paying in Full" column is an allowed secured claim only to the extent of the value listed, and pursuant to § 506(a), debtor MOVES the court for an order fixing the value of the collateral in the listed amount. The value of the creditor's interest in the collateral is limited to the amount listed below, and that amount will be paid under the plan with post-confirmation interest at the rate stated below. The holder of a claim listed in the "Estimated Secured Claim if Paying in Full" column will receive the total amount of the claim as set forth in the creditor's proof of claim.

For all creditors provided for under this subparagraph (1), if the creditor's claim will not be paid in full, the portion of the creditor's claim that exceeds the amount of the allowed secured claim will be treated as an unsecured claim under paragraph 4(f) (if the claim identifies the priority position of the claim) and 4(g) below.

A secured claim treated in this subparagraph is limited to the amount listed in the "Amount of Claim as

Modified (Value of Collateral)" column. Debtor MOVES the court for an order fixing the value of the collateral in the amount listed below. Debtor proposes that the creditors listed accept, either expressly or impliedly, the following treatment, which might not be able to be approved absent consent of creditor. Failure of a creditor to file a written objection to this plan before confirmation will constitute acceptance of the plan.

- (j) **Untimely Claims Disallowed.** Subject to the provisions of § 502(b)(9), untimely claims are disallowed without the need for objection.
- 5. **Executory Contracts and Leases.** The debtor ASSUMES the following executory contracts and leases:

Creditor	Amount of Default [State if None]	Cure Provisions
-NONE-		

Executory contracts or leases not specifically listed above are rejected. Any allowed claim arising from rejection will be treated under paragraph 4(g). Debtor will pay all assumed executory contracts and leases directly, including amounts required to cure. Debtor must surrender any property covered by rejected executory contracts or leases to the affected creditor no later than confirmation. Debtor MOVES that the stay of § 362(a) be terminated as to all property covered by rejected executory contracts and leases and that the stay of § 1301 be terminated.

6. **Section 522 Lien Avoidance.** Debtor MOVES, pursuant to § 522(f)(1), to avoid the judicial liens or nonpurchase-money security interests of the following creditors because they impair an exemption of the debtor:

The order of confirmation will avoid the liens listed above, and claims of the lienholders will be treated in paragraph 4(g).

7. **Direct Payments.** Debtor must pay directly to each of the following creditors the regular payment that comes due after the petition date (state creditor name followed by collateral description):

Chase bank debtor's residence

Key Bank debtor's residence

Ally Financial debtor's automobile

- 8. **Use of Credit.** Debtor may not incur credit or debt obligations during the life of the plan without the trustee's written consent unless made necessary by emergency or incurred in the ordinary course of operating debtor's business.
- 9. **Debtor Reporting Requirements.** Unless waived by the trustee in writing, debtor must report immediately, upon receipt of notice of the change, to the trustee if actual or projected gross annual income exceeds by more than 10% the gross income projected by debtor in the most recently filed Schedule I. Unless listed in the schedules, debtor must report immediately to the trustee any right of debtor to a distribution or right to distribution of funds or other property, including bonuses and inheritances, worth more than \$2,500.
- 10. Postpetition Tax Reporting. For tax years listed in paragraph 3(c), debtor must timely file all required tax

returns and provide copies to the trustee each year immediately upon filing with the taxing authority.

- 11. **Vesting of Estate Property; Limitations on Post-confirmation Property Use.** Property of the estate will vest in debtor upon confirmation, subject to the terms of this paragraph. Except for regular monthly income, any right of debtor to a distribution of funds or other property exceeding a value of \$2,500 must be held by debtor and not used without the trustee's permission or a court order. Debtor must not buy, sell, use, lease (other than a lease of real property in which the debtor will reside), encumber, or otherwise dispose of any interest in: (a) real property; or (b) personal property worth more than \$10,000 out of the ordinary course of business without notice (given per FRBP 2002 as if the interest were property of the estate) to all creditors and the trustee, with an opportunity for hearing, unless the property is acquired through the use of credit with the trustee's written consent.
- 12. **Treatment of Trustee Funds on Hand Upon Dismissal or Conversion.** If this case is converted to chapter 7 and the chapter 13 trustee has more than \$2,500 at the time of conversion, the chapter 13 trustee must forward all funds to debtor, in care of debtor's attorney, if any, 10 days after the first scheduled § 341(a) meeting in the chapter 7 case unless the chapter 7 trustee files and serves a written objection pursuant to § 348(f)(2). If the funds in the chapter 13 trustee's possession at conversion are \$2,500 or less, or if this case is dismissed, the chapter 13 trustee must forward all funds to debtor in care of debtor's attorney, if any. This paragraph does not determine the rights of the parties to these funds.
- 13. **Reservation of Rights and Powers.** Except as expressly set forth in this plan or the confirmation order, neither this plan nor the confirmation order affects any right or power of debtor or the trustee, including debtor's rights under § 1302 and rights of the trustee or any trustee's assignee under 11 USC chapter5.
- 14. **Additional Nonstandard Provisions.** Any nonstandard provisions are set forth below or on attachments; each provision is numbered, beginning with 15. Debtor and, if applicable, debtor's counsel certify that the plan contains no nonstandard provision other than those set out consistent with this paragraph. Nonstandard provisions set out elsewhere in this plan are ineffective; nonstandard provisions will be effective only if there is a check in the box "Included" in paragraph 1.
